## Wedding reception setting

We make every wedding celebration unique and elegant. As part of an intimate wedding reception, we provide a tasteful and consistent table arrangement that creates a beautiful setting for this special day.

**The price includes:**

- white tablecloths,
- full tableware,
- gold charger plates,
- white non-woven napkins,
- decorative candles.

At the Newlyweds' request, we can also prepare a complete floral decoration for the tables. This service is available at an additional charge.

Alcohol can be ordered directly from the hotel bar. Once we receive information about your preferred beverages, we will prepare an individual offer tailored to the style of the reception and your expectations. Guests may also bring their own alcohol. In this case, a corkage fee of PLN 25 per adult applies. Proof of purchase is required for any alcohol brought to the venue.

The wedding cake and themed decorations are to be arranged by the Newlyweds. We will be happy to help display and arrange them appropriately in the reception room so that the entire setting forms a consistent and elegant composition.
